DOCUMENT RESUME

ED 377 025 SE 053 167

TITLE	Youth Solid Waste Educational Materials List, November 1991.
INSTITUTION	Cornell Univ., Ithaca, N.Y. Cooperative Extension Service.
PUB DATE	Nov 91
NOTE	62p.
AVAILABLE FROM	Cornell Waste Management Institute, Center for the Environment, Cornell University, 468 Hollister Hall, Ithaca, NY 14853-3501.
PUB TYPE	Reference Materials - Directories/Catalogs (132)
EDRS PRICE	MF01/PC03 Plus Postage.
DESCRIPTORS	*Educational Resources; Elementary Secondary Education; Environmental Education; Pollution; *Solid Wastes; Teaching Guides; Waste Disposal
IDENTIFIERS	Environmental Action; Environmental Awareness; *Environmental Issues

ABSTRACT

This guide provides a brief description and ordering information for approximately 300 educational materials for grades K-12 on the subject of solid waste. The materials cover a variety of environmental issues and actions related to solid waste management. Entries are divided into five sections including audiovisual programs, books, magazines, publications, and songs. Each entry includes the resource title, author, publisher, publisher address and phone, publication year, audience, grade level, format, and short description. Audience entries include the general public, teachers, parents, 4-H leaders, businesses, government officials, community leaders, and waste management professionals. (LZ)

Audiovisual Programs

Title: 1992.
Author:
Publisher: NYS Legislative Commission on Solid Waste Management
Address: 150 State St., Albany, NY12207

Phone:
Pub. Year: 1989.
Audience: Teachers, Public
Grade Level: 9-12
Format: Video
Description: 28-minute video documentary on recycling in New York State.

Title: 3 R's, The
Author:
Publisher: New York Legislative Commission of Solid Waste Management
Address: 150 State St., Albany, NY 12207

Phone:
Pub. Year:
Audience:
Grade Level:
Format: VHS Videocassette
Description:

Title: Cleaning Up Toxics: A 2 Part Video How-To Series
Author: League of Women Voters
Publisher: The Video Project
Address: 5332 College Avenue
Suite 101
Oakland, CA 94618

Phone: 415/ 655-9050
Pub. Year: 1990
Audience:
Grade Level:
Format: VHS Videocassette
Description: Part 1- At Home: Emphasizes safe use, proper disposal, recycling and reduction of the most common household toxics: motor oli, paints, strippers, pesticides, automotive products and heavy-duty over and drain cleaners. Part 2 - In Business: Shows how small businesses can use a variety of innovative solutions to comply with increasingly strict environmental regulations. 30 min. each.

Title: Deep Threat.
Author:
Publisher: International Film Bureau, Inc.
Address: 332 S. Michigan Ave., Chicago, IL60604

Phone:
Pub. Year:
Audience: Teachers, Public
Grade Level: 7-12
Format: Video
Description: Uses animation to show the consequences of pollution. Available in film (rental or purchase) or video (purchase only).

Title: Disposal of Household Hazardous Waste.
Author: L. Wagenet, A. Lemley, and J. Stewart.
Publisher: Cornell University Distribution Center
Address: 7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone: 607-255-2091
Pub. Year: 1989.
Audience: Teachers, Public
Grade Level: 9-12
Format: Slide Set
Description: 19-minute slide presentation with cassette and script. Explains why certain household chemicals are hazardous to the environment. Will help people decide how to properly dispose of such "household" items as paint, disinfectants, polish, cosmetics, flashlight batteries.

Title: Earth Day, Every Day - You Can Make a Difference!

Author:

Publisher: National Wildlife Federation

Address: 1400 16th St., NW, Washington, D.C. 20036-2266

Phone:

Pub. Year:

Audience: Teachers, Public

Grade Level:

Format: Film Strip/Slide Set

Description: Film strip or slide set, including an educator's guide.

Title: Garbage Tale: An Environmental Adventure.

Author:

Publisher: Churchill Films

Address: 2210 Nebraska Ave., Los Angeles, CA 90025

Phone:

Pub. Year: 1990.

Audience: Teachers, Public

Grade Level: 4-8

Description: This video explores the solid waste crisis through the eyes and thoughts of a student, showing what each of us must do to help solve the problem. Won the 1990 Best of Show award by the North American Association for Environmental Education.

Title: Global Dumping Ground: The International Traffic In Hazardous Waste

Author:

Publisher: The Video Project

Address: 5332 College Avenue
Suite 101
Oakland, CA 94618

Phone: 415/ 655-9050

Pub. Year: 1990

Audience: Teachers

Grade Level:

Format: VHS Videocassette

Description: The international traffic in hazardous waste (A PBS Frontline special report). The program reveals how toxic exports have become big business – and a serious health hazard to the citizens of foreign nations. A companion 152 page book is included with video purchase. 60 minutes.

Title: Hazardous Waste.

Author: Cornell Waste Management Institute

Publisher: Cornell University Distribution Center

Address: 7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone: 607-255-2091

Pub. Year: 1987.

Audience: Teachers, Public

Grade Level:

Format: Slide Set

Description: 10-minute slide presentation with cassette and script. Points out environmental factors that contribute to the problems of disposal and containment. Explores successful ways of dealing with the disposal of hazardous wastes and shows that local efforts to change the way these substances are controlled can make a difference.

Title: Hazardous Waste: The Search for Solutions.

Author:

Publisher: Kaufman Productions. Cornell University Distribution Center

Address: 7-8 Cornell Business and Technology Park, Ithaca, NY 14850,

Phone: 607-255-2091

Pub. Year: 1983.

Audience: Teachers, Public

Grade Level:

Format: Video

Description: 35-minute 16mm film and study guide. Portrays citizens fighting hazardous waste disposal and documents the solutions that have resulted, including waste disposal methods that are safer than landfills, right-to-know laws in California, health surveys in Ohio, and citizen lobbies in Massachusetts and Pennsylvania.

Title: Life After the Curb: Recycling Processes.

Author: Cornell Waste Management Institute.
Publisher: Cornell University Distribution Center
Address: 7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone:
Pub. Year: 1990.
Audience: Teachers, Public
Grade Level: K-12
Format: Video
Description: 15-minute video for grades K-12. Shows the separation/recycling process for plastic, steel, aluminum, glass, and paper. End-products are identified, and industry innovations are shown. Reasons to reduce, reuse, and recycle are covered. Shows how the same material can be used over and over.

Title: Lorax.

Author:
Publisher: Michigan Media
Address: University of Michigan
400 4th St.
Ann Arbor, MI 48103-4816

Phone:
Pub. Year:
Audience: Teachers, Public

Description: 25-minute video introducing environmental issues including toxic landfills and disposal of nuclear wastes.

Title: Potential for Contamination of Groundwater by Abandoned Landfills - The Use of Airphotos as an Assessment Tool.

Author:
Publisher:
Address: available from Cornell University Distribution Center7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone: 607-255-2091
Pub. Year: 1989
Audience: Teachers, Public
Grade Level:
Format: Video/Slide Set
Description: 75 slides, with cassette and script (also available on videotape). Produced by Cornell Cooperative Extension of Dutchess County, Cornell Laboratory for Environmental Applications of Remote Sensing, and Dutchess County Environmental Management Council.

Title: Recycling In Your School Makes Good Sense.

Author: Cornell Waste Management Institute.
Publisher: Cornell University Distribution Center
Address: 7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone: 607-255-2091
Pub. Year: 1990
Audience: Teachers, Public
Grade Level:
Format: Slide Set
Description: 7-minute slide presentation with cassette and script. Shows how to start office paper recycling in a school. By starting a recycling program, students in grades 6 to 12 will increase their awareness, interact with people on a community level, learn to plan and take information home to make an impact there.

Title: Recycling: Waste Into Wealth.

Author:
Publisher: Bullfrog Films, Inc.
Address: Oley, PA 19547

Phone:
Pub. Year:
Audience: Teachers, Public
Grade Level: 7-12
Format: Video
Description: Film or video, includes steps for starting a recycling program.

Title: Recycling Within Reach.

Author: Cornell Waste Management Institute
Publisher:
Address: available from the Cornell University Distribution Center, 7-8 Research Park, Ithaca, NY 14850

Phone: 9-12
Pub. Year: 1990
Audience: Teachers, Public
Grade Level:
Format: Video
Description: 13-minute video. Gives statistics on trash and tells what YOU can do about it! Discusses composting, recycling, and precycling (carefully selecting the products you buy to minimize trash). Each time you shop, ask yourself: Can I recycle this product? Can it be reused? Is it safe for the environment? Can it be repaired? The answers will help you refuse to buy instantly disposable products. Ideas to get communities and people started on these programs. (Was redo by the Cornell Waste Management Institute

Format: VHS Videocassette

Description: A 12 minute program for kids about recycling. An entertaining introduction for elementary-age children to the need for recycling.

Title: **Wastewise.**

Author: Cornell Cooperative Extension, Broome County, NY.

Publisher:

Address: available from Cornell University Distribution Center7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone: 607-255-2091
Pub. Year: 1988
Audience: Teachers, Public
Grade Level:
Format: **Slide Set**
Description: 19-minute slide presentation with cassette, script, and references. A citizen education presentation on solid waste disposal, designed to help people understand current technologies and issues in solid waste management. Defines solid waste and describes waste disposal, landfilling, composting, recycling, and resource recovery. Suitable for secondary school classes, environmental and civic organizations, and local planning committees.

Title: **Where Is Away In Throw Away? - A Household Guide to Recycling**

Author: Mary J. Sienkiewicz

Publisher: Cooperative Extension Service Allegany County

Address: PO Box 226
County Road 48
Belmont, NY 14813

Phone: 716/ 268-7644
Pub. Year:
Audience: Teachers, General
Grade Level:
Format: **Slides & Booklet**
Description: Objectives: Participants will increase their knowledge of the critical solid waste mgmt. issues facing their local communities, county, and state; will increase their awareness and implementation of recycling practices in the following areas: the "how to's" of recycling, purchasing practices, composting, and household hazardous waste; will become more familiar with the reduce, reuse, recycle levels of the solid waste mgmt. hierarchy.

Title: **Woodsy's Resource Gold Mine.**

Author: Cornell Waste Management Institute.

Publisher:

Address: available from Cornell University Distribution Center7-8 Cornell Business and Technology Park, Ithaca, NY 14850

Phone: 607/255-7660
Pub. Year: 1989
Audience: Teachers, Public
Grade Level: 4-6
Format: **Slide Set**
Description: 8-minute slide presentation with cassette and script. Views trash in a new light. Trash is described as a resource instead of something to throw "away." Includes information on what is happening with solid waste management, energy savings, and suggestions for how children can help with reduction, reuse, and recycling.

Title: **Woodsy's Wastewise.**

Author: Cornell Cooperative Extension, Broome County, NY.

Publisher:

Address: available from Cornell University Distribution Center, 7-8 Business and Technology Park, Ithaca, NY 14850

Phone: 607-255-2091
Pub. Year: 1986.
Audience: Teachers, Public
Grade Level: 2-6
Format: **Slide set, Slide script, and Activities book**
Description: 8-minute slide presentation with cassette, script, teacher/leader guide, and activity book. A package of resources on solid waste disposal for teachers to use in grades 2-6. Shows the problems common to landfilling and other disposal methods. Solutions such as composting and recycling are discussed.

Books

Title: **365 Ways For You and Your Children to Save the Earth One Day at a Time. ISBN 0-446-39270-7.**

Phone: 607-255-2091
Pub. Year:
Audience: Teachers, Public
Grade Level: 7-12
Format: **Book**
Description: The set includes: Composting - defines composting and what materials can be composted; Managing the Composte Pile - describes temperature, minimum pile size, and water requirements; Life Cycle of the Composte Pile - shows the cycle of living plant material, new compost, bacteria and fungi, partially decomposed compost, worms, beetles and mites, and finished compost.; Home Composting - Which Method is Best for You? - a 3-panel exhibit with a title poster; Heap, Holding Unit, and Turning Unit - 3 how-to

---

Title: **Blue and Beautiful: Planet Earth, Our Home. ISBN 92-1-100441-1.**
Author: Rocha, R., and O. Roth.
Publisher: United Nations Publications.
Address: ISBN # - any bookstore will able be to special order this.

Phone:
Pub. Year: 1990.
Audience: Teachers, Public
Grade Level: 4-6
Format: **Book**
Description: Using thought-provoking watercolor paintings, this book presents the planet earth as a fragile home that we all need to take care of.

Title: **Complete Trash: The Best Way to Get Rid of Practically Anything Around the House. ISBN 0-87131-572-6.**

Author: Crampton, N.
Publisher: Little, Brown Publishing Co.
Address: ISBN # - any bookstore will able be to special order this.

Phone:
Pub. Year: 1989.
Audience: Teachers, Public
Grade Level: 7-12
Format: **Book**
Description: An A-to-Z guide to the most environmentally efficient ways to burn, bury, recycle, compost, or otherwise dispose of household and garden trash.

Title: **Compost Heap. ISBN 0-385-06822-0.**

Author: Rockwell, H.
Publisher: Doubleday and Co., Inc., Garden City, NY.
Address: ISBN # - any bookstore will able be to special order this.

Phone:
Pub. Year: 1974.
Audience: Teachers, Public
Grade Level: K-4
Format: **Book**
Description: Explains in simple terms how a compost heap is made, and how it turns into soil.

Title: **Composting at Home: Let It Rot!**

Author:
Publisher: Cornell Cooperative Extension of Albany County.
Address: William Rice, Jr. Extension Center, Martin Road, PO Box 479, Voorheesville, NY 12186-9699

Phone: 518-765-3500.
Pub. Year:
Audience: Teachers, Public
Grade Level: 7-12
Format: **Book**
Description: A composting handbook.

Title: **Disposal of Household Hazardous Waste.**

Author: Wagenet, L., A. Lemley, and J. Stewart. Cornell Cooperative Extension
Publisher:
Address: available from Cornell University Distribution Center, 7-8 Cornell Business and Technology Park, Ithaca, NY 14850.

Phone: 607-255-2091.
Pub. Year: 1989.
Audience: Teachers, Public
Grade Level: 7-12
Format: **Fact Sheet**
Description: A fact sheet that outlines how to dispose of household hazardouse waste products in a way which will be safe and will help to prevent contamination of drinking water supplies.

Title: **Earth Book for Kids: Activities to Help Heal the Environment. ISBN 0-88160-195-0.**

Author: Schwartz, L.
Publisher:
Address: The Learning Works, Inc.
P.O. Box 6187, Santa Barbara, CA 93160.

Phone:
Pub. Year: 1990.
Audience: Teachers, Public
Grade Level: K-6
Format: **Book**
Description:

Title: Earth Right: Every Citizen's Guide. ISBN 1-55958-027-5.
Author: Hynes, H. P.
Publisher: St. Martins Press
Address: 175 Fifth Avenue, New York, NY 10010.
Phone:
Pub. Year: 1990.
Audience: Teachers, Public
Grade Level: 7-12
Format: Book
Description: An in-depth look at environmental problems and ways in which we can "Think globally and act locally". Includes a chapter called "Solid Waste: Treasure in Trash".

Title: Earth Trek...Explore Your Environment. #OPA-87-004.
Author: U.S. Environmental Protection Agency.
Publisher: U.S. Environmental Protection Agency.
Address: Office of Public Affairs, Washington, D.C. 20460
Phone: 202-382-2080.
Pub. Year: 1990.
Audience: Teachers, Public
Grade Level: 4-8
Format: Book
Description: 25-page booklet, includes 5 educational units on water, air, land, pesticides, and toxic substances. Units contain background information and activies.

Title: Earthworms, Dirt, and Rotten Leaves. ISBN 0-380-71074-9.
Author: Mclaughlin, M.
Publisher: Avon Books, NY.
Address: ISBN # - any bookstore will able be to special order this.
Phone:
Pub. Year: 1986.
Audience: Teachers, Public
Grade Level: 7-12
Format: Book
Description: Examines the earthworm and its environment, suggesting experiments to introduce basic ecological concepts as demonstrated by the earthworm's survival in its habitat.

Title: Ecology and Pollution/Land. ISBN 0-516-00523-5.
Author: Gutnik, M.J.
Publisher: Childrens Press,Chicago.
Address: ISBN # - any bookstore will able be to special order this.
Phone:
Pub. Year: 1973.
Audience: Teachers, Public
Grade Level: K-6
Format: Book
Description: Instructions for activities including how to make recycled paper and mini-landfills.

Title: Environmental Crisis: Opposing Viewpoints. ISBN 0-89908-391-8.
Author: Bach, J.S., and L. Hall.
Publisher: Greenhaven Press.
Address: ISBN # - any bookstore will able be to special order this.
Phone:
Pub. Year: 1986.
Audience: Teachers, Public
Grade Level: 9-12
Format: Book
Description: Articles by scientists, environmentalists, and business executives present a variety of viewpoints on whether there is an environmental crisis and on issues such as disposal of toxic wastes.

Title: Everyday Ways to Save Our Planet.
Author:
Publisher: National Wildlife Federation.
Address: 1400 16th Street N.W., Washington, D.C. 20036-6564.
Phone:
Pub. Year: 1990.
Audience: Teachers, Public
Grade Level: 7-12
Format: Book
Description: 750 simple but effective steps people can take to help avoid environmental problems including global warming, acid rain, toxic waste, and water pollution.

Title: **From Trees to Paper: A Coloring Book Story About Papermaking.**

Author: International Paper Company.
Publisher: International Paper Company.
Address: 220 East 42nd Street, New York, NY10017

Phone: 212-459-7300.
Pub. Year:
Audience: Teachers, Public
Grade Level: K-6
Format: **Book**
Description: Coloring book explaining how paper is made from trees.

Title: **Garbage: Our Endangered Planet. ISBN 1-56006-100-6.**

Author: O'Connor, K.
Publisher: Lucent Books.
Address: ISBN # - any bookstore will able be to special order this.

Phone:
Pub. Year: 1989.
Audience: Teachers, Public
Grade Level: 4-6
Format: **Book**
Description: Discusses how we dispose of garbage, including the many problems that may be associated with its disposal.

Title: **Garbage! Where It Comes From, Where It Goes. A NOVA book. ISBN 0-671-69424-3.**

Author: Hadingham, E. & J.
Publisher: Simon and Schuster Books for Young Readers, New York, New York.
Address: ISBN # - any bookstore will able be to special order this.

Phone:
Pub. Year: 1990.

Title: Idea Notebook for Elementary School Teachers On Litter Control, An

Author:

Publisher: Virginia Division of Litter Control, Department of Conservation and Historic Resources

Address: 1215 Washington Bldg.
Richmond, VA 23219

Phone: 804/786-8679

Pub. Year:

Audience: Teachers

Grade Level: Elementary School

Format: Workbook

Description: Litter control is an excellent place to begin a study of environmental education. It is one area of solid waste management that a child can comprehend. When a child cleans up a littered place he can see the change and know that he has made a positive difference. Also, litter is not a frightening study topic for a child, as are other types of pollution. Teachers increase their students' awareness of the litter problem and help provide solutions to any litter problems existing at the school or in the community by incorporating

Description:

Title: **Wisconsin's Composting Communities**

Author: Wendy McCown
Publisher: Department of Natural Resources, Bureau of Solid Waste Management
Address: Box 7921
Madison, WI 53707

Phone: 608/267-7565
Pub. Year: 1987
Audience: Communities
Grade Level:
Format: **Booklet**
Description: Yard wastes represent 20-30% of all household refuse in Wisconsin, take up valuable landfill space, contribute to methane gas and leachate problems in landfills, and because of their high moisture content, leaves and grass clippings don't incinerate well. Composting yard wastes is the better alternative and it offers many benefits.

Title: **Wizard of Waste Environmental Education Program**

Author:
Publisher: SWRL Educational Research and Development, California Solid Waste Management Board
Address: 4665 Lampson Avenue
Los Alamitos, CA 90720

Format: **Workbook**
Description: Teacher's guide, filmstrip and cassette, poster, picture cards, program record sheet, pupil booklets, pretests, posters, self-surveys, badges, home information leaflets.

Title: **Worms Eat My Garbage**

Author: Mary Appelhof
Publisher: Flower Press
Address: 10332 Shaver Rd.
Kalamazoo, MI 49002

Phone:
Pub. Year: 1982
Audience: General
Grade Level:
Format: **Book**
Description: How to set up and maintain a worm composting system. Recycle kitchen food wastes, save energy, produce fertilizers for house plants and garden, grow fishing worms, and reduce waste disposal costs.

Title: **Worms In The Classroom?! Teach Ecology and Recycling - With Worms**

Author:
Publisher: Monroe County
Address: 249 Highland Avenue
Rochester, New York 14620

Phone:
Pub. Year:
Audience: Teachers
Grade Level:
Format: **Fact Sheet**
Description: A classroom worm composting bin is and exciting demonstration of ecology and recycling in action. Feed garbage to worms. Watch them turn it into compost. Use this compost to grow plants. These simple ecological concepts show children their own role in the environment. They are also the basis for understanding recycling/waste management. For educators this is an easy, inexpensive and realistic way to become involved in this issue and to show the connection between society and science.

Title: Wrap Sessions: Town of Islip Recycling Curriculum

Author:

Publisher: Town of Islip

Address: Department of Environmental Control

Phone: 516/224-5654

Pub. Year: 1988

Audience: Teachers

Grade Level: K-6

Format: Workbook

Description: Curriculum is designed to begin to bring about an ecological consciousness in elementary school children. It recognizes that we must change the way we think and feel about our environment and the way we behave. It is a serious attempt to articulate a knowledge based on ethical, moral, and philosophical view that comprises a new environmental awareness. Topics include interdependence, recycling, scarcity, environmental stewardship, and responsibility.

Title: Your Drinking Water

Author: Mark Fuller, Lucy Joyce

Publisher: Cornell Cooperative Extension, Broome County and Groundwater Management Program
